

Mahbod MoeinJahromi

Assistant Professor

College: Faculty of Technology and Engineering

Department: mechanical engineering

Education

Degree	Graduated in	Major	University
BSc	2010	Mechanical Engineering (Solid Mechanics)	Sistan & Baluchestan University
MSc	2012	Mechanical Engineering (Energy Conversion)	Amirkabir University of Technology
Ph.D	2018	Mechanical Engineering (Energy Conversion)	Amirkabir University of Technology

Employment Information

Faculty/Department	Position/Rank	Employment Type	Cooperation Type	Grade
Jahrom University	Head of Mechanical Engineering Department	Tenure Track	Full Time	

Work Experience

- 1- Elite soldier of Iran New Energy Organization (SANA) 2013(May)-2014(May)
- 2- Expert in charge of research and development of Bahman Motor Company 2014(July)-2019(Feb.)
- 3- Part-Time lecturer at Amirkabir University of Technology and Jahrom University 2010(Jan.)-2021(Sep.)
- 4- Assistant Professor of Mechanical Engineering, Jahrom University 2021(Sep.)-up to now
- 5- Director of Mechanical Engineering Department since 2021(Mar.)-up to now
- 6- Member of Jahrom University Publishing Council since 2019(Dec.)-up to now

Awards

Academic award from National Elites Foundation, named Dr. Kazemi-Ashtiani Award as a faculty member of Jahrom university (2019-2020).

Distinguished Ph.D. student (Top 5% of class) of the academic year 2018 (Thermo-Fluid) Mech. Eng. Dep.

Admission as Exceptional Talents without examination admission regulations in Ph.D. in 2013.

Elite Soldier: benefit from the facilities of the National Elites Foundation to fulfill a research project in Renewable Energy Organization as a substitution of military service (2013).

Distinguished M.S. student (Top 5% of class) of the academic year 2012 (Thermo-Fluid) Mech. Eng. Dep.

Awarded for the Top Rank M.S. Thesis of academic year 2012 in Amirkabir University of Technology, Iran.

Top Rank (1st) B.S. student of the academic year 2010 (Solid-Mechanics) Mech. Eng. Dep.

Outstanding student in the 15th mechanical engineering Olympiad between universities in 7th hub in Iran (2010)

The reviewer of Energy Conversion and Management Journal (Q1 and high-rank ISI journal with IF= 8.208),

Subjects Taught

1- Renewable energies, especially hydrogen energy and fuel cell systems

2- Heating-photovoltaic systems

3- Reverse osmosis module systems and condensing membranes for saltwater treatment

Executions And Scientific Activities

1- Optimization and modification of performance drop created in high-temperature polymer membrane fuel cell in Iran New Energy Organization (SANA)

2- Presenting a simulation model of performance calculator for Zinc-air fuel cell for the New Energy Organization of Iran

3- Holding a fuel cell training workshop in the second fuel cell conference of Khajeh Nasir University of Technology

4- Presenting a degradation model of polymer membrane fuel cell deterioration due to cyclic loading to the German ZSW Institute in the form of research collaboration

5- Feasibility study of Mapna entering the fuel cell business, a project carried out for Mapna under the supervision of Dr. Mohammad Jafar Kermani

6- Research, investigation, and feasibility study of the combination of desalination processes by

reverse osmosis and membranes desalination to increase the efficiency of seawater desalination systems and freshwater production in Makran beaches (Employer = Eghlim Pahlavan Company)

Course Topics

- 1- Heat transfer
- 2- Principles and foundations of thermodynamics
- 3- Fluid mechanics
- 4- Engineering mathematics
- 5- Renewable energies and its applications
- 6- Thermodynamic laboratory

Workshops

Fuel cell training workshop in the second hydrogen and fuel cell conference at Khajeh Nasir University of Technology

Journal Membership

- Reviewer of ISI Q1 high-rank Journal of [Energy Conversion and Management](#).
- Reviewer of ISI journal of [Applied Fluid Mechanics](#)
- Reviewer of ISC journal of [Challenges in Nano and Micro Scale Science and Technology](#)
- Reviewer of ISC journal of [Modares Mechanics \(MME\)](#), Tarbiat Modares University.
- Reviewer of ISC journal of [Amirkabir Journal of Mechanical Engineering](#), Amirkabir University of Technology.
- Reviewer of ISC journal of the [Scientific-Research Journal of Mechanical Engineering](#), University of Tabriz, University of Tabriz.
